“ I loved Betty and will love her memory as long as I am alive. I feel sad that I lost contact for all of these years through no fault other than my own. I loved her like a mother and she treated me like a daughter. Waneta, I am so sorry. I love you too and miss you very much.##imported-begin##Suzann Pica-Noyes##imported-end##

“ Although the magnitude of the pain that I feel in missing you seems at times unbearable, it also serves as a reminder to me of the enormous blessing our Lord gave to both of us when he gave us each other. Heaven gained such a beautiful spirit the day that you arrived! I love you so very, very much and I will see you again someday Mom.##imported-begin##Waneta Marple##imported-end##
