“ Dale was my OA sponsor and a true friend. There will never be another like her. I am so sad. Jim, Dannielle, Adam and Kaci I am beyond sorry for this loss. Please know you are forever in my prayers. The sun will shine a little less bright and the world a little less good because Dale is not with us. Ever On Dale. Until we meet again. Lois

“ I met Dale 37 years ago, and from that first meeting at a picnic, I knew her to always be kind and true, a loyal friend. Dale worked very hard her whole life and appreciated all that she and her family built; she took great pride in them, as well as in her home and business. Dale knew her own mind and refused to settle, a quality that has seen hundreds of families benefit from the tireless devotion to the dogs, silver teacup toy poodles, she raised and cared for. Dale’s heart was big, and I’ll never forget the giant pointsettias she gave us at Christmas, nor her willingness to meet for dinner or share a night at the shore, or simply to invite me into her home. When Covid began, Dale worried for my husband and made sure he had a supply of disinfectant that worked, and despite her concern over the virus, Dale hugged me when we were together for the first time in a year. ❤️ Recently, Dale allowed my son to buy her mother’s home, something I’ll always be grateful for, and a place I’ll always feel especially connected to my friend. Dale, you are one of the people I’ll be looking for in heaven, if I’m allowed in with you, and I’ll be sure to push your Jimmy right up beside you, as it should be❤️❤️ God bless Jimmy, Adam, and Danielle. I’m grateful for your friendship and pray for your healing. 🙏

“ Our very deepest condolences to Jim, Danielle, Adam, Kaci, and all the Friends and family that was fortunate to know Dale. We have parented 5 poodles over the course of 30+ years. I grew up with Dale, and she saw me grow up into and adult with children. She was like a mom to me, and our phone calls lasted for hours. She will be so very missed by our family. Sending prayers and hugs from NC.

“ I had two wonderful gray puppies, “Misty & Mac”, from Dale & Jim about 25 years ago. Dale was always available to answer my questions & take care of them when we went away on vacations. She was a special lady and very knowledgeable about her dogs. I know Dale will be very missed.

“ I met Dale about 20 years ago. Purchased a puppy from her. My daughter got a pup from her about 3 years ago and I just bought one in July. Dale was so kind. Was always just a phone call away. I could talk to her about anything. A very wise and gentle soul. My heart is broken. I will miss Dale.

I just saw this and I send true condolences to her family. We bought our dear Molly from Dale and took our red poodle and Molly to Dale for grooming and boarding for years. She was such a good person and always helpful when we had concerns.
