*I know we didn't see each other a lot but you were love as if we seen each other every day. Look back over the years I can see you stand on the side line watching everything but not been a part of it you was about peace. And ever time we spent together it was always a pleasure. You was about peace. And I believe you have found that peace in life it was Sharon and the peace you have now is a peace from all the world of pain and suffering. Rest in Peace my Nephew. Aunt Mozell loved you so much and I know you knew that. You will be on my mind a lot in the coming day. But I'm at rest with your going home. I will be there for your wife Sharon when she needs me to talk too. Always*
