“ *I Remember when we where in elementary school he would always hug me and always ask for a high five. he was really funny . he was a loving child. when i found out about what happened My Heart Shattered. I Cried for weeks I remember going to school having to fake a smile. It Broke Me. Brandon was one of my closest friends at YVE. I Remember i had to go to counseling for a couple weeks. I Thought our bond would never be broken. From teasing people to making new friends even tho we did such dumb things we always thought it was fun. I Miss Him 💔. May He Rest In Peace Tho <3. LLB🕊️. “ *Dear Val, Glen, Brad, Pat, Vickie, Bobby, Denise, Brent and Dan, Words can't express how sorry we are feeling. As I always said, there weren't many memories of Josh's teenage years that didn't involve Brandon - good and bad - but they were best buds so sharing in the good and the bad was par for the course. I can't make Monkey Bread without thinking of Brandon. I loved watching him devour it along with all the other snacks in the house. He was part of the "Adams" family and will always have a place in our hearts. Our thoughts are with all of you and if you need us, you know where to find us.*

Love to all,

Meem, Mark, Josh, Jake and Jordan Adams

“ Dear Valerie & Family,

Josh just told me the news of Brandon's passing. I am so very sorry and heartbroken to hear this. I cannot imagine your grief. I believe our loved ones go on to become Guardian Angels, watching over us, and free of any pain or suffering. He is flying high now, and flying free on the other side. He will always be with you in spirit, in your hearts and souls. He is now and forever more will be a part of you, inside you.

I hadn't seen Brandon or any of you in quite a few years. But of course I still remember him well. His outgoing nature and friendly personality. He was such a good guy. I don't think Josh ever got over what happened to him.

I know Josh is very upset about Brandon's passing too. You never stop missing them after they're gone, but when you feel like maybe they've stopped by to visit, b/c you somehow sense they are there, it brings a smile to your face, and words cannot describe that feeling. So if that happens, cherish the moment for all it's worth.

Honestly, he is truly free now. May you find comfort in that and in whatever ways you can.

Words cannot express how truly sorry I am to hear of your loss. I cannot imagine.

With Much Sympathy,

Linda Adams

P.S. - I still have the t-shirt from the fundraiser tucked away in one of my drawers. Now I will be sure to keep it always, in memory of Brandon.
