“ *I was a teenage friend to Brenda and I have many fond and happy memories of her...of her family of all the walking barefoot and the hippie clothes we wore. I will always remember the last time I saw Brenda ironically walking uptown, as we say, and I said hey Brenda and we said a few things and then someone came by in a car and she had to go talk so I said goodbye...I'm glad I saw her...I still miss her...I love you Brenda, Rest With the Angel's Karen A. “ *Dear Family, I offer my sincere condolences for your loss. May the many beautiful memories that Brenda left to treasure warm your hearts in the days ahead. May God soothe your hearts and minds with his loving promise to reunite you together again in the future Paradise when there will be no more sickness, pain or even death. (Revelation 21:4, 5) God knows your pain and the many tears that you cry. You're in my prayers. (Acts 24:15)*
