“ *Brian thank you for showing me what it feels like to be loved. You showed me so much. You were a amazing man. I will never forget the day I met you, you looked so handsome with your baseball hat and green sweater. I will never forget our first date. You were such a gentleman. You got all dressed up and you couldn't stop telling me how beautiful I looked. Thank you for all the great times we had together. We were really the best of friends. You will forever be my best friend, my love, my Brian. You will forever be in my heart. Me and carlos love and miss you terribly. I know you are watching down on us and protecting us. “ Dear Oravasky Family:

I wish to extend my condolences to you and your family in your loss, I am now just finding out about this tragic news. I hired your son at a job we had worked together, i interviewed him and decided he was a good candidate to work with my team, and the fact that he served as i did, i always would help out a brother in arms, even thou we were in different branches serving, i knew he was the man to help me out with the job at hand and he didn't dissapointment just like brothers overseas. I wish I could have been there at the service to pay my respects and let him know he is home and has been, now he is with God and continuing to fight, i will always keep him in my thoughts and prayers, God Bless battle brother.

“ Dear Oravasky family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
