“ I remember Brian from F.D.R. middle school. Back then I thought he was friendly, very talented, smart and liked by everyone. It was real nice to get back in touch with him through FB after all those years. I saw all those same qualities again, only stronger. Sorry he was taken away from his family and friends so soon. But do know that we shall meet again. Keep smiling. :) God bless.##imported-begin##Danielle##imported-end##

“ We were fortunate enough to get to know Brian because he was our neighbor for many years on Bosler Avenue. We have many good memories of sitting on the front porch talking or him playing guitar with our son. He came to our church a few times. He is missed greatly but we know he has finally found the peace he was searching for. Our prayer is that the Lord will comfort his family and close friends during this most difficult time.##imported-begin##Basil & Doris Arena ##imported-end##

“ Brian- You and I became close when you were here in Lewistown about 14 years ago. From day one I knew you were a special guy. I am blessed to have known you. All those letters you wrote while you were up here meant so much. We lost touch for awhile but reconnected on facebook last year. I am so glad that we did. You were a great man, very talented and very honest. It is so clear how much you loved your little girl..may you watch over her always. You will be missed and I hope you found peace. All of our talks and things we shared will stay with me always! I can only hope you knew how good of a friend I considered you. My thoughts and prayers are with your family and hoping they find peace in knowing you are in a better place, with no worries, and that we will all see you again in our eternal home. I will miss you and I will never forget you. Love ya Brian...RIP###imported-begin###Carrie Riley###imported-end###
