“ To the family of Brittany Nicole Roche,

With sincere sympathy in the loss of your loved one. Death is an intrusive foe, it leaves us broken hearted, seemingly without hope. But the God of the Bible promises to comfort those who mourn (Isaiah 61:2). In the Holy Scriptures there are more comforting promises than any other source (Romans 15:4). As you reflect on the life of Ms. Roche remember her joys and blessings. I pray you are not too sad. Surround yourselves with those who love her and share fond memories this too is a source of comfort. (Proverbs 17:17)

*Sincerely

“ *Brittany, where do I even begin. There is so many memories of us growing up I can't pick one. Sledding down our hill in the apartment with Dad, riding bikes, skating, barbies, visits to grandmom and grandpops, camping trips, vacations-these memories are filling my mind daily. I love you and I know you will love on in Tracer. It's just not the same without you here and your laugh and smile! Thank you for being you, my sister a loving aunt to your niece and nephews. A part of me with you and a part of you will always be with me! Watch over the family especially Tracer. Love you sissy forever! Fly high baby girl! R.I.P*

“ To my niece who had a big heart. You were a fun loving spirit who always enjoyed to make others laugh. Your quick punch lines brought laughter to others and you laughed as well. Your laugh is one of many things about you that will be missed. Your love for your son was a beautiful blessing to watch. Please Rest In Peace my beautiful, fun loving, big hearted niece. You will be GREATLY missed but another angel was needed. If I ever find that "tookie and toat" I will let you know in a prayer. Love you and will miss you kiddo.

“ So sorry that you had to leave us so soon. I have special memories of you from Sonshine Nursery school all the way through Prom and after HS. You were always such a loving girl, I can only imagine what kind of mom you were. I pray now for your handsome son and all the family and friends left here on earth to pick up the pieces. Love you girl to Heaven and back❤️
