“ *Dear Tony*

One of the best gifts our parents give to us is a lifetime of memories. No one can ever take them away from us and they provide us great warmth as we grow older. They are always within reach to give us comfort.

“ I was saddened to read of the loss of your loved one. When we lose our loved one in death it is the most difficult time in our life. However, there is loving comfort in Psalms 55:22 to “throw your burden on God and he will sustain you..” Yes, no matter what you are facing God is there to help you get through it. May you continue to have the love and support from family and friends. I sincerely hope that this Bible message brings you
