“ *I too have known Bruce since I was a little girl growing up in Collingswood. Bruce was a close friend of the family and as my brother Dick indicated, we all considered him a "brother". He was one of the regulars at our house, along with Otto and Drew. He was always smiling that devilish smile. That is how I will remember him - always smiling. I am attaching my favorite picture of him, my brother Dick and Drew - taken in May of this year. My prayers and sympathy go out to his wife Helen and family. He will be greatly missed.*

“ I spoke to Bruce on almost a daily basis, as friends growing we had a lot of great times together and spent many hours going out, spending time at each other homes, double dating and just hanging out he was and still is as much of a brother to me as my brothers Bob /Jim . Bruce was always there for every member of my family in sickness or good health whether it be in the hospital or family functions. we have been friends for about 60 years (he could remember a date or time like no one I ever knew). I have a large hole in my heart that will never close. Rest in peace my brother.
