“ Sharon, I'm so sorry to hear of Calvin's death and extend my heartfelt sympathies to you and your family. I had not seen Calvin in some time until I was with him in Harrisburg on January 24th. I loved his beard, which I hadn't seen before! We had a chance to have an extended conversation during an hour in which I was between meetings. As usual, it was wonderful to be with him and catch up on all that was new since we last were together. He was a rock for PATLA and PAJ and always kept us on a prudent and sensible financial course. Beyond that, he was a great friend to many of us who have had the privilege of serving PATLA/PAJ and working with him. I'm so glad we had the chance to have such a nice talk only three weeks ago today. I share in your grief and will miss him, but am grateful to have had the chance to know and work with such a fine man and wonderful friend.
