“ *To Auroras' family: I am sorry for your loss. I worked with Aurora at RVH in 1973 and have fond memories of that time. She had so much energy.##imported-begin##Jane Krout##imported-end##*

“ *To Aurora's family: Please know that I send my sincerest condolences on your loss. Aurora is the reason that I am alive today. That is not an exaggeration. She recognized the problem during the delivery of my son in 1978 and encouraged Dr A Singer to act quickly to save my life. She visited me in the hospital and I sent her Christmas cards every year w/pictures of the son that I lived to raise. Ironically, my grandchildren go to the Sacred Heart School where her mass will be. I know that she was an angel on earth and will certainly be one in heaven.##imported-begin##Renee Walsh##imported-end##*
