“ Thinking of memories past will always stay close to my heart, All the picnics and barbeques we're always fun when you we're there! The times you played and sang songs, which when I hear them now I think of you. When I was young the parties with family, whom you loved with all with all your heart. Smiles and laughs that only you had, is only a few memorable thoughts I have of you. I love you forever.

Sadly missed, your niece,
Sherri & Al R.

P, S, WILL HIS MEMORIES LIVE FOREVER IN OUR HEARTS,
AMEN.....

PS

“ *The memories I have from years ago will stay with me for the rest of my life. You were my friend long before you were my brother-in-law. To be able to have family and friendship at the same time is a blessing. I was so blessed by God to have you as both. You will be sorely missed. So many memories, such great times, music, and laughter. God has taken you from us physically, but you remain in our hearts and minds.*

“Dad, you are no longer suffering. This is the only thing that brings me peace. I know I may not have said it much but I love you dad. I will never forget the great memories with you. You were a kind & gentle man. You were so devoted to your kids. It didn't go unnoticed. I promise. Dad, I will make sure Emmalyn knows who her grandparents are. I can promise you that. I can't even believe you are gone. You will be missed terribly. I'm so sorry that tragedy struck and you had to go through this. You didn't deserve this. I'll miss you dad. I'll miss you so much. Dad, rest easy . Say hi to mommy for me. Until we meet again.
