“ My deepest condolences to Penny, Ron, Amanda and Bryan. I have the fondest memories of your parents/grandparents. Marie, with that glint of mischief in her eyes when re-telling a funny story about Buddy, and Buddy with a big grin on his face whatever he was doing (even mowing). Whether sitting at their kitchen table talking, or playing a game of pool in the basement, just being in their company made me happy. They were such a fun couple! I remember how they planned for days whenever they knew the grandkids were coming, they looked forward to it so much. Know that they truly treasured you!
