“ To a very dear and old friend. We have lots of fun and many old memories to share. You sir are always a man whom I trusted. You said that my husband is someone "you would trust with your wallet." For some reason that has always stuck with me, and you my friend are the man to me. Now you are at peace. May your family and friends find the strength to get through this sad time. You will always hold a special place in my heart! Love you, Donna, Rob and Chelsea Scheiter
