Tribute Wall

“ Carol was one of the Directors of Nursing at Lankenau Hospital, responsible for the Clinic, Mother/Baby Unit and the Neonatal ICU.

As the Nursing Administration Secretary for many years, I appreciated Carol for living life genuinely and openly. She was always approachable, helpful, interesting, adventurous, but above all, caring. She loved and cared deeply for her family and friends.

I feel blessed to have been one of those friends and am so sorry to lose her.

My sincerest sympathy to Pam and each member of Carol's family.
