“ It is with a heavy heart I write this in memory of a beautiful soul, Caroline. She was like both a sister and a mother to myself and my sisters over the past several years. And, words cannot convey the love my parents shared with she and Jim. The 4 of them were inseperable, and their joy with one another brought joy to my sisters and my hearts. Caroline, we feel your presence and your grace and will forever remember your smiling face, and it brings comfort to know you are in God’s Kingdom now. Our prayers to Jim and your loving families. May God bestow comfort upon their hearts. Forever loved by all who had the privilege to know you! Linda Gammage and Family

“ Carolyn was such a sweet, loving woman. It meant to much to me that she welcomed my husband and me into her heart and home. It was obvious to anyone the great joy she brought Uncle Jimmy. I hope and pray that Uncle Jimmy is able to still find some joy in his love for Carolyn and the wonderful memories they have made together...

“ I met Carolyn and Jim for the first time on our Alaska adventure several years ago.

We had dinner together every night and did a lot of laughing. It was my first cruise and they made it great!

I know how sick Carolyn was and hope she is at peace now.

Condolences to Jim and their blended family, children and grand children.

Thinking of you, lovely lady.

“ Carolyn joined our family when she married Jimmy. They were so loving together. She was such a warm person, always greeting us with sincere hugs. Her relationship with her granddaughters was so sweet; I enjoyed treating them at a special event arranged by Carolyn. Her faith was so important to her and she lived it. We are sorry about her difficulties before her life ended but know she is safe in God's arms now.

“ Carolyn was a good neighbor who welcomed us and informed us of much we needed to know when we moved in 8/15/2006. She was a great parent and grandparent. I loved watching her daughter and granddaughters walking to the pool. They were a line of beautiful blue-eyed blondes!

*She and Jim were a very close and loving couple. I am sorry we will not be back until the end of February, so will miss her services. Our profound sympathy to Jim and the entire family.*
