“ Caryl, you were such a beautiful person inside and out. I always loved your sense of humor. I am so thankful for reconnecting with you in these years before your passing. We had some good talks on phone. Wish I had lived closer to have been more support for all you went through. I thought we had more time. I love you and will miss you so much.

My heart breaks for all of Caryls family and anyone who knew her because she was a wonderful, caring, person. I am going to miss you Caryl so much.

My thoughts and prayers are with all of you.
