“ I just found out Champ had passed. I met Champ and his brother Norman at RV high school Mt Holly,NJ. We use to lift weights. He took me to a person who I bought some weights from. Remember Champ being a left handed guitarist like Jim Hendrix's who he loved. We all miss you Champ.

“ I would like to give my condolences to the Harris family. Champion was a good man my friend. I remember when I bought my house in cherry hill 12 years ago and I could not get any sun out by my pool he came in with a crew of 30 people plus cut about 7 trees down asked how much no charge for me but he went thru my whole street which was really ravaged by overgrown trees he ended up making 27gs thats correct twenty seven thousand he was the master at his business. I am sorry I just found out from vernon we lost champ its terrible. God bless you all stay strong!!!

“ I don't know if this is who I went to elementary school with in Southampton. If so, I always remember playing kickball during recess when I lost my retainer and Champion found it. I was running so fast that it came out of my mouth and I was so upset but Champion found it. So sorry for your loss. Please let me know if this is the person I went to school with.
