

Charles L. "Chuck" Christiano III

December 18, 1957 - November 4, 2017

Charles L. "Chuck" Christiano III, 59, of Lakewood, passed away on Saturday, November 4, surrounded by his loving family. Born in Brooklyn, NY, Chuck grew up on Staten Island until 1985, when he moved to New Jersey. From there, he was a resident of Sunrise, FL for 15 years before moving back to New Jersey. Chuck was a Claims Adjuster in Marine Insurance in both New York and Florida for many years. An avid golfer, he was very involved with various golf associations and the sport itself. A very likeable, and optimistic person, when he met someone new for the first time, the glass wasn't just half-full, it was over-flowing! Son of the late Celeste Manfredonia Christiano, he is survived by his son Daniel Christiano of Ft. Lauderdale, FL, his father Charles L. Christiano Jr. of West Windsor, a sister and brother in law Barbara and Ted Glasser of West Windsor, a niece Susan Glasser of New York City, aunts Gloria Christiano, and Anna Romano, and many cousins. Relatives and friends are invited to attend Chuck's Memorial Service on Thursday, November 9 from 11:00am-12:00pm at Perinchief Chapels 438 High St., Mount Holly, NJ 08060. Rites of Christian Burial will be held at 12:00pm. In lieu of flowers, memorial contributions may be made in Chuck's name to The Huntington's Disease Society of America hdsa.org. www.perinchief.com

“ He was known to us as "Charlesy boy" and he was the kind of cousin you couldn't wait to see. One of our beloved Staten Island cousins. Charles always always had a joke for us. He would entertain us for hours with funny stories, always patient and kind with his younger cousins. I am still telling one of the jokes till this day!

Charles was also a very talented photographer. I can remember how he took six pictures of the Verrazano Bridge and fit them all together to make one large panoramic view. He also took artsy closeups of manhole covers, so close you would have to guess what the picture was of. And he also took portrait photos. He was also a very passionate golfer and he was great at the game.

Even though Charles wasn't heavy. He made us laugh that he was on the cantalope diet. That's what he was eating all day. The last time I got to visit with him, he was on the South Beach diet. But that was Charles, always inspiring us, always doing something new.

So, cousin Charles, you were a bright light in our family. I will always think of you and "Space Food Sticks" and laugh. I will always tell your joke about the head that rolled into the bar. And I will miss you all my days.

“ A great cousin that was by my side all the time and watched over me as if I was his kid brother. Treated everyone like they were royalty. His girlfriend said she was happy to have Huntington’s Disease, because if she never had it, she would never had met Chuck. That’s how wonderful a person he was. He won’t be with us in the physical realm, but he’ll show himself as we live our lives, when we show kindness to people in the same fashion as he did.

Charles, thank you for being a special cousin, showing me how to live life, loving me and my family, and for giving me more love than I could ever give back. I will see you in paradise one day, it’ll be a great reunion. 💜
