“ I am very sorry for your loss. I will always remember all the times I stayed at your house and getting hooked on your dads Cracker barrel cheddar cheese and pepperoni. He was kind enough to share it, as long as I didn't eat it all. I keep it stocked in my fridge to this very day.

"Dad", I will have some cheese and pepperoni tonight and remember being part of the family for a while..... May you rest in peace

“ I only knew this man as a kind and loving Soul. No matter where I saw him he had a smile and a hug for me. He always asked how me and my children and grand children were. I remember seeing him one day at a restaurant I went to for breakfast. As soon as he saw me his face lit up as he was genuinely happy to see me. He made me feel special. Not everyone can make you feel that way with just a smile and a kind word. You Sir will truly be missed. Family know that he will truly be missed by me. Love and praying for you all.
