

Charles H Muise

December 13, 1943 - March 12, 2024

Charles H. Muise passed away peacefully Tuesday March 12, 2024 at Aspen Hills in Pemberton township at the age of 80.

Born in Melrose, Mass. he was a longtime resident of Pemberton Township. Charles was a U.S. Airforce Veteran who specialized in dog training. He believed there was no such thing as a bad dog but bad owners. He admired a dogs ability of unconditional love and reflected that in how he raised his family.

Upon retirement from the Air Force he served the country as a U.S. postman for 20 plus years.

After 40 years of civil service he found his passion in fish keeping and opened a pet store in Mt. Holly where he specialized in his favorites, the angelfish. Like the angelfish he was resilient and headstrong, demonstrating a love for family and perseverance during hardship.

He is survived by his grandchildren and great-grandchildren, along with his own children. In the end his grandchildren were there to care for him and show him the love that he always gave freely.

Having spent his remaining years at Aspen Hills, he never forgot his best furry friend Midnight, proof that dogs are man's best friend.

Cremation will be private.
