“ I will always remember Uncle Jr. walking home across the lawns with his shirt over his shoulder after a hard day moving houses. He always seemed to be a happy and content man. When I was young and still living at home Sissy and I liked to do sewing projects and we would always have some refreshments and sometimes kick back and relax by the swimming pool. We loved to watch the houses getting moved. It was always exciting to see a house going down the road. We all had a great time growing up with our cousins. My heart goes out to Sissy and all the family, and I know you all will miss him terribly. Rest in peace Uncle Jr. God Bless You! Love, Darlene Phoebus Turner
P.S. My husband really enjoyed meeting Uncle Jr. last year after Dad's funeral at the reception, he said they had a great conversation because they had both served in Korea. In Dick's words, "He was a heck of a nice guy!"

“ Charlie Mullen best known as Junior was a very dear friend of my dads and like a second father to me. I will never forget him and his generosity. My dad called him " moon beam"and as I finish my time here I will think of him whenever I look up to the moon. Peace.

“ Dear Mullen family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ *The last few years being around Charley and Sis sure have been great. Charley and I would BS Sis would pour the tea or try to get us to stay and eat even if we weren't hungry. He had to be one of the hardest house movers around ,but fair. It would have been hard to have competed against him , We will miss those stories of his moving experiences. May you rest in peace Charley Mullen because you sure did your part while you were on this earth.*
