“ *Criss was a very special person in our family and our lives! I was blessed to have her as my Sister-in-law when my children were young. She was a wonderful Aunt to them throughout their childhood and to the present. I will miss seeing her so much at our family gatherings. I have many happy memories of her throughout the years. She will be missed and loved always.*

“ *We miss you so much, Aunt Chris, even though it still doesn't feel real. It still feels like we'll soon be planning who makes what for our next family get-together or that Julia will be letting me know that she'll be hanging out with you this weekend. It was such an honor to know you, to see your calm strength, to experience your kindness, to laugh along with you and the rest of the family about silly things and funny stories. We're all so much the better from having had you in our lives. Love you so much, Aunt Chris.*

Chris was a beautiful soul! Every time, I'm in my garden, and see the graceful hummingbirds, I can look up, smile, and think of you. We were always excited to share stories. You will be missed, see you on the other side!
