“ My momma... was like hell on wheels!! You and i were two peas in a pod—Lacie and I we love you so so deeply much!! her wings were ready but our hearts were not mommy! As much as crazy as she was — was she caring and loving ! She did anything she could to help the ones she considered friends or family and loved her grand babies to end of universe and back!!

We love you dearly mommy!!

“ It breaks my heart to hear of Chrissy’s passing. She was about 8 years old when we first met her when you all moved to Ware Shoals. She, Kathy and Jackie ended up becoming like family to us. It seems like yesterday. Praying for peace and comfort for your family.
Love to all.
