“ I remember when I had my son Kyle and she came to see him she bought him enough socks that I didn't need to buy him socks until he was 4. She said they were all so cute I couldn't resist them. Besides she said you can never have enough socks. Everytime I buy a baby outfit, I buy socks and think of her and her sock advice. She loved all my nephews and nieces. She kept Douglas so clean I'd tease her. I thank God that she was part of my life and my family's life.

I am so upset to here this about my friend Chris. We didn't get a chance to do our lunch with me (Connie Leduc and my sister Missy. But you knew we were very close friends. I will net forget when you told me every time you seen a Butterfly you would think of us because you knew we love them . I will forever love the Butterfly quilts you made for me . So happy we became friends in high school and remained friends after we graduated. I will miss you my friend. Rest in peace until we see each other again.

I am so heartbroken to hear that my friend is gone. Thanks for looking out for my son's. They kept looking for you and Kenny told them that you were gone and they started crying. We all are missing you. I will miss your calls and messages but most of all our friendship. You're at peace and I will see you again. My sister.
