“ My thoughts and prayers are with Christine's family. I just recently connected with Christine again after not talking to her for ten years since high school. She was a great person then, I'm positive, an even greater one today. Again, my thoughts and prayers go out to her family. RIP###imported-begin##Cynthia Myers(Rickman)###imported-end##

“ Chrissy left everyone she touched with a real legacy. She loved life
and enjoyed people and made it very easy to like her. We are all
now left with the difficult task of living up to that example. Please
know that the prayers of many go before your whole family and with
God's grace your beautiful family will be able to remember her with
real joy and laughter, which embodied the Chrissy we all
knew.###imported-begin##Jennifer Idler###imported-end##
