I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.

“ Our hearts are heavy for the Power family and the loss of Chris. We
will always fondly remember the many days Chris and Matt would
spend at our house with our kids jumping on the trampoline, roaring
marshmallows, watching our pets, helping us mourn the passing of
our dog Sadie, or just hanging out. Chris was an energetic and
happy go lucky guy! We will miss him and always cherish our
memories. We look forward to watching Carter grow up and learn
more about the great dad he had. May God carry you all through
this difficult time. Love the Steels

Dear Power family I am Marcie Steels sister. I only know of you through my sisters eyes and she has shared what a beautiful family you are. May God carry you through his unbearable time. My thought and prayers are with your whole family. As Marcie mentioned I now look forward to hearing all about your grandsons childhood stories. God bless you all
