“ Chris, I think about you often as you imparted three motivational words to me in one of our fun times at the trailer camp with Carmine and friends..

That was after all the adversity of hurdles I have had to climb...

KEEP MOVING FOWARD.

3 word I will never forget as you I will never forget!

“ I'd known Christopher pretty much since I moved back to Frederick MD in 1993. We met where, like a lot of my still longtime friends came out of, at Tully's. We spent a good deal of time there and around Frederick listening to Bobby Stephens and playing NTN. His sister, BethAnne and her family, lived across the street from Chris's longtime friends Pat and Paul and so we'd all do family dinners, NASCAR runs to Dover twice a year and many friend evening parties or holidays like 4th of July fireworks or Christmas parties and dinners. As we all moved on with our lives and to different States, including Chris, I remained very close to my friends and would often go to NJ and then later to his spot at LBI every summer. Once Chris brought me to Indiana and I got to meet his other sister Deb and her family and to see his parents again. That was such a fun trip. Chris's family always treated me like their own. I even met his fav beloved Aunt Jan and for one night while her and Chris were at mass, I thought I lost her dog. Aunt Jan made a turduckon (not sure of spelling) and it was great. Chris's light and his words will remain with me until I get to see him again in Heaven. I hope he's the one that will usher me in. My heart is very heavy right now as I'm sure it is with his family. My sincerest and deepest condolences goes out to all who know, loved and will miss Christopher

“ I’ve known Chris for over twenty years, and it was a privilege to be with him. Always positive, always offering to help anyone and everyone. Tremendous sense of humor, tremendous compassion... just a tremendous person. The world was richer for having him being in it, and will continue to be richer if those of us that knew him continue his legacy of kindness, compassion, and generosity . Rest in peace, Chris.

“ Sending my deepest sympathy to the entire Sapecky family. I have had the pleasure of being Chris's colleague at Kohler Co. for over 20 years. Every time I saw Chris at a Sales Meeting or other function, he would make it a point to greet me with that infectious smile and ask me how things were going in my world. Chris was a genuine, kind, and unselfish person. I know Chris will be missed deeply by all he touched within the Kohler organization. May he rest in peace.

“ Another great one is lost on earth but heaven is getting a gem of a person. I'll always remember the Sapecky clan, young and old, hitting the pubs in Indy over Thanksgiving into the early hours of the morning. While there will be one less Sapecky, there will be many toasts in honor of Chris and his life on earth. I know he'll be there in spirit and cheering you on!

I'll miss you brother....sincere condolences to everyone whose life Christopher touched!
