“ Mr.Rutherford

You were a wonderful man always kind to me & made me feel like unofficial part of your family growing up. I will treasure our last conversation last year & I am so grateful I got to personally thank you for making my childhood a little brighter & making me feel so welcomed! One of my favorite memories still is when you brought the goat to show & tell in Kindergarten I'll never forget being on the playground your brown van pulled up & out walked the goat! Lol Another favorite was when you were building Alicia her tree house with working electric! Lol or all the sleepovers! You will be so missed!! Rest easy Mr. Rutherford! Xoxo

“ I was blessed to have PopPop Cliff as a grandfather. 💖 I always knew how much he loved me. He had so many great stories. And he always helped me when needed. I wish I got to spend more time with him since I've been away at school the past few years. I'll miss him everyday. ❤️
