“ *The only way I can make any sense of this is to know that Cory is no longer fighting the demons and he is at peace. God Bless you Kevin you were a wonderful father and went to the ends of the earth for your son! All my love your Mom (Traci's mom)*

“ *I remember when both Cory and I attended my Grandma Murray's funeral. Cousin Caitlin had me tickle him, and all three of us had a great time. I always thought that we'd meet again when I was a little bit older. Now I'll have to wait to see him in heaven, but I'm glad that he's finally at peace.*

I look forward to meeting him again in heaven, you're in our thoughts and prayers Cory.

“ Cory was a sensitive and sweet soul, he struck me as though he was in a way too good to be here and just could not figure out how to make it work. I know his family will miss him very much, especially his aunt Teasie whom he loved to torture.

“ Cory it is surreal that you are gone. I just want to wake up and it all be a dream. I am blessed though for the times we were able to spend together. We had such meaningful conversations. I will forever hold them in my heart. You were my rock during the hard times in my life. You were so caring. I was so proud to be called mom by you. May you rest in peace. You are free now. Fly high with the angels and check in on us from time to time. All my love, Mom
