“ I have so many great memories of mama cyn from shopping adventures, long car rides, pool days, movie dates, etc but i think my favorite ones will always be when she made family dinner after a long day of fun. Me, her, & gabby would sit in the living room, eat, and watch movies. Then we'd somehow end up in conversation and just laughing for hours until we were ready to go to bed💕 i can't believe i'll never get to experience that with her again but it's something I'll forever cherish. Love you mama cyn, my second mom

*I met Cindy working and we became instant friends. She had the biggest heart and was such a knowledgeable and intuitive nurse. I admired her skills as a practitioner and manager. She was the greatest friend and enjoyed life. Her greatest accomplishment was her daughter Gabby whom she loved so much. They loved going to Disney World together and made it an annual tradition.  
I will miss her so very much.

“ Such a shock to read this. I have fond memories of sitting in Mr Selah's class at F L Walther discussing Duran Duran with Cin. We also had spoken not very long ago about trying to meet up in Disney. So very sad. My heart goes out to you all, Mrs. Calvert, Chris, Kim and Christine. Lee (Crosby) Scherbik
