“ I knew her in High School, but not well. She was another face in the crowd like so many. But we're looking at our 50th Reunion coming next year, we're seeing how many of us are gone. RIP

“ *Cindy was our neighbor across the street and was always friendly with that positive attitude that her parents always had. She never had an unkind word for anyone. I will miss seeing her take Quinn to the mailbox for a quick pee. So very sorry for her families loss.*

“ *Cindi was the best next door neighbor and friend I could have ever had. She was always inviting, caring and thoughtful. Even when she was having family events, she would invite me over. There are few people in life that you come across that are open arms to everyone. She and Quinn always kept an eye on thr neighborhood (and my property) and it made it comforting knowing she had my back when I wasn't around. Always a friend that cared so much. I was proud to be there for her too and I will always be in debt of her friendship. Miss you Cindi!💔*
