“ *Dear Malinak family,  
My heart hurts hearing of Dana's passing. In the times that I had the extreme priveledge to spend with her, Dana was the life of the party. She always had a smile and a kind word to say. She was fiesty and bubbly and loved her country music. (all music really but I recall our conversations about Luke Bryan most.)  
She will be greatly missed by so many. An angel here on earth and now, an angel to watch over us all.*

*With love, Robin*
