“ Dan, I said it before and I'll say it again: you were a pain in the ass, but you were our pain in the ass! In fact, you were the best PIA we ever had. We love you brother. See you on the flip side.

*Kids, this is a difficult time for you all. You'll survive as you're young yet. But remember to be gentle with family and friends as they're all you have. Life is too short, and people just keep slipping away....*

*Love, Fitti and Larry and Rick*

*RIP my friend Dan. I have been so fortunate to have you in my life. Daily phone calls to one another to always lift one another's spirits. I am going to miss you but you will always be in my heart. Berenice thank you for loving my friend as you have. And to the children..I am deeply sorry for the loss of your dad. He will live on through you and your children. Come together as a family because in the end that is what we have in life.*
