“ We met Ms Darnell at her birthday party. She was so delightful. We caught a video of her dancing and having fun. An incredible matriarch. Your legacy will live on through the memories and laughter and the warmth you radiated to everyone —especially the legacy of love you imparted to your children. You will certainly be missed.

“ Death brings pain that only time can heal. But with God, her joy is eternally sealed.

I cannot even begin to understand what you're going through right now, but I would like to offer my heartfelt prayers 🙏 and condolences. In these moments of loss, no words could ease how you are feeling during this most difficult time.

I was blessed to have been able to share in her life and I will continue to remember the fond memories of how much she was a Blessing to me during my younger years.

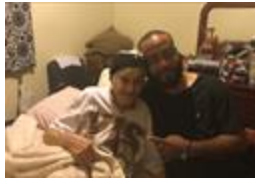

Sent with love and remembrance. ❤️
