

David S. Keiss

February 20, 1979 - July 3, 2015

Dave loved fireworks. He usually couldn't wait for the Fourth of July. He would get "Goose Bumps" as soon as they started, and he couldn't stop smiling. We saw the fireworks this week when the Tall Ships came into Philadelphia. That is a special memory for me.

He loved anything near water...boats, fishing, and watching the ocean. He loved the shore and boardwalk. He would even go to the retention pond near our home. He said that it was his "Happy Place." He never met a sport he didn't like. Soccer and Ice Hockey were his favorite sports to play, but he liked to follow Philadelphia teams, especially the Phillies. He was a Yahtzee nut and was like a little kid on holidays.

He was a loyal friend; his emotions ran deep, and he was very compassionate. David like to make people happy. He loved his friends at Carollo's Restaurant and considered it to be a "Fraternity." He had a special place in his heart for the Carollo family, and they made him feel good about himself. They also treated him as a family member. Two little boys will miss him greatly, his nephew, Connor and his little buddy, Anthony. He missed his father and was deeply saddened after his death. He also will be missed every day by his brother Kevin and especially by his twin, Brian, who has lost a part of himself. He made a difference. Donations may be sent to his aunt's Karate School which caters to multiple handicapped children: C.H.A.M.P.S. Champs

“ Mrs Keiss, Kevin and Brian,
I just got on FB and was looking around for old friends and came across this.
I am very sorry for your loss of Dave. We lost touch many years ago but I was just thinking of him the other day when he saved my butt big time when I first got my license by being the great backseat driver he always was. Tons of kids at the Keiss house will always be good memories.

Dave was always polite, engaging and smiling whenever we stopped by to see his parents. This occurred when he was a young boy, a teen and then a young man. It's a trait often lacking in some. I will remember him most for this.

Our heartfelt sympathies to Sue, Brian and Kevin. Thoughts and prayers are with you, your extended family and, of course, David.

*Growing up Dave and Brian and I were always together. We shared
hobbies and sports and were constantly around each other. As we got
older like a lot of people we drifted apart and this comes and as a huge
punch to me. He was a great kid. Fun to be around and always happy. I
will often remember the times we had and know Brian, Kevin and Mrs
Keiss if you need anything please don't hesitate to ask. He is with his
father now and looking down on you all and protecting you. Watch over
us all Dave. Gone to soon but left his mark. Thoughts and Prayers to
all his family and friends.*
