“ *My Brother David was a unique individual who cared greatly for the people who came into his life! He made special memories for his niece Serena and her friend Michelle when they would come to visit from Tennessee - little things that were special for them which in turn influenced them as they were growing up in very good ways. David was very much loved and will be greatly missed!*

“ I live across the street from David twenty years ago while I was stationed at McGuire AFB. He was always such a caring and friendly man. I had two dogs and David was always so willing to help me care for the dogs and house while I had to be away on military duty. I will always have very fond memories of David.

“ An uncle, a father-figure, a mentor, and a friend. David served all of these roles and more to our family. To merely say he will be missed is a huge understatement. The impact David had on our lives will be everlasting. David, we will love you forever and will never forget all of the special times we spent together. The world lost a truly amazing person. David was my coworker who later became my daughter's uncle David. He was so kind & generous. When my husband passed in 2018, he was always a call away and was willing to help in whatever ways he could. David, we loved you & thanks for being a part of my family. We will forever missed you 💕💕💕🙏

I've known David for over 52 years and he has always had an engaging personality. David has always worked very hard throughout his life to achieve his goals. I will miss the times that David, his sister Pat and I would get together. I will always be grateful for his generosity and thoughtfulness not only for me but also for Ronnie. You will be miss and will be in my thoughts and prayers. Mary Ellen Hodanish

I knew Dave through my sister Karen. He was caring and generous to her and my nephews through thick and thin. I was so sorry to hear of his passing. It was certainly too soon. I wish him peace and love during his journey home.

I met David when we started working together in 1980 at Trenton Psychiatric Hospital, and our friendship has endured throughout the years. He was funny, caring, thoughtful, and if he considered you a friend, you were his for life. There was nothing he wouldn't do for you, and never made it seem like it was a problem. I will miss him dearly, and he will remain, as always, in my heart. My deepest condolences to Pat, Linda, Sam, Theo. Teri, Louis, Carol, Karen, and Fred, and all David's family members.
