It was always a joy to march behind Dave in the Harrowgate (now Uptown) String Band when he was the Captain in the 1970's and early 1980s especially in 1975 when he was the Mummers String Band 1st place Captain, an honor only held by a few dozen people over the past 100+ years!

“ I never knew what a Mummer was before I got to college, but I'll never forget you showing me your costume when Tracey and I stopped by one weekend so many moons ago. It was so colorful, so ornate and so beautiful, and your smile and joy as you modeled the different parts of the outfit imprinted on my memory—to this day, whenever I see the Mummies, I think of you. I light an "Eagles" green candle in your memory. Rest in Peace, Mr. Myers ❤️
