“ Literally, every birthday he mentioned the song 😂. He loved his dog, Obie a lot too! You could see in the video. His face lights up when the dog comes to check out the cake.

“ Every birthday, whether it was his birthday or someone else's he would always sing his own version of the "happy birthday" song. "🎵 You look like a monkey and you act like one too 🎵" I only know that version because he would always sing it after singing the traditional happy birthday song 😊. He loved cracking jokes and being funny. He would ALWAYS make funny faces.
