“ My Condolenses to the whole family of Mr. Perincheif! I was fortunate enough to see him before he passed and went up to be with our Heavenly Father. I transported him from 3rd floor to ICU and told him I was praying for his health and well being. I gave him an honored hand shake and felt he was so strong to be going through a rough time. I am blessed to have known such a wonderful man. He had helped with many of my family passings and to him I will forever be grateful and honored! “ Mrs. P, Alison, Kerri and family, I was so heart broken when I had heard Mr. P had passed. He was such a great person, family man, pillar in the community, and a great boss. Mr. P gave me the chance that not many people get. He gave me the opportunity to work in their family business and they treated me as family. I will never forget all that the Perinchief family did for me, my wife and my young family I was raising at the time. He made me the funeral director I am and I surely wouldn't be where I am in my life,if it wasn't for what the Perinchief family has done for me. It is so unfortunate I had to be away to say my goodbyes, but as we all know we can't time death. I'm sure Mr. P and Patrick are getting all the golf in that they have missed together these last few years. I truly will miss these two great inspirational men!

“ One look at this guest book tells you what kind of loss Mr. Perinchief's passing is to his community. I was a Sacred Heart and OLQP altar boy and have known Mr. Perinchief for almost forty years. He handled the funeral of almost every significant person in my life who has passed away.

Any one of us can look through the names in this guest book and see the names of our family and friends, which may be the most beautiful illustration of his service to the families of Burlington County, and the wellspring of solace for the Perinchief family. I wish Mr. Perinchief all the best in his continued journey.##imported-begin##Willie Culkin##imported-end##

“ When I first moved to Mt. Holly in the late 1950's and needed a Girl Scout Leader, I found Dave's Mom. We had our meetings at his house. I remember having such a crush on him. I ended up at Holy Cross, but as the years went on there was always a Perinchief to ease our family's sorrow. First with the death of my brother, (Gene Seng)and my infant daughter in 1967 when Dave's Dad was still there. Then in 1970, another infant daughter and Dave's capable and loving comfort. Then most recently, in 2005, I lost my baby sister, Peggy (Seng) O'Donnell and had the privilege of having another Perinchief, Patrick comfort our family. Dave and Maureen, you taught him your same compassion and comfort toward all. You lost him way too soon and now Dave, too is gone. He has left such a legacy in so many hearts not just for what he did in all of our hours of grief but also was a great man in the Mount Holly Community. My deepest condolences to all of his family and I send it from all of the Seng Family.##imported-begin##"Taffy" (Seng) Kelly##imported-end##

“ I am very saddened to learn of Dave's passing. My father and he were friends back in the 60's. When my father died in 1972, I remember Dave took the time to speak to me at the services, calming many of my fears and answering many of my questions. Later, in high school, he took the time to allow me to interview him for a biology project. He was very encouraging and kind to a young girl interested in the sciences when many were still discouraging females from scientific endeavors. I will always remember his kindness. In later years, I had occasion to see him around the town. When our daughter died in 2006, Patrick handled her services. There was no doubt he was Dave's son; he passed on to Patrick his compassion and kindness. Dave's loss will be sorely felt in the community. I hope knowing that many will remember him often with warm memories will bring comfort to his family.##imported-begin##Mary Hornor Irvine##imported-end##

“ Dave was one of the sweetest, most compassionate men I have ever had the pleasure to meet. He was so good to my Father, Maurice (Sonny, Luke, Moe) Lucas, before and after his death in January 2009 as well as my Mother & me. He knew all of the Lucas family well & treated everyone with respected & dignity. Dave Was Mt. Holly & will be missed. He is in a better place & is talking with everyone that he "saw off" to that place, having a good time catching up with old friends. My condolences to his wife, Daughter Alison, all of his family, and his many, many friends. Rest in peace Dave.##imported-begin##Alison Lucas##imported-end##

“ Thursday morning, August 1st, I was messaged via Facebook that Dave Perinchief had passed away. Immediately I responded with a Post generating my heartfelt thoughts...Just heard this morning that Dave Perinchief passed away. All will know him as the proprietor of Perinchief Chapels in Mount Holly for many years. He built a very thankful, appreciative and loving community of friends and clientele around him. To the folks who could not afford the last rites of passing they wanted for their loved ones...Dave saw to it. He always presented himself as personal friend, neighbor or caring and generous man to all. My Dad, counted himself as a friend as did much of the Wells family, in their own way, in the Southampton area. When my Dad passed many years ago, he was there for us... even though Dave had been ill himself. His warmth was felt as we entered to make last arrangements. His thoughts of our family were heartfully made known. God's blessings continue now for you, Dave, as you enter your Heavenly home. I am sure that there will be a multitude of loving and grateful folks there to greet you; and to pass on to you the thank you that they were not able to do when you helped them and their families from their earthly homes. God Bless You, Dave; and God Bless the loving family who remain here. Thank you, God, for lending Dave to this community for so long!

This comes from the very appreciative family of Earl Wells...Wife, Mary Wells; and children; Thomas and Ruth (Wells) Curlis; and Ronald and Susan (Wells)Shemelia. May God Bless Your Journey, Dave!##imported-begin##Thomas and Ruth (nee: Wells) Curlis##imported-end##

“ *Maureen, family-*

Please accept my sympathies at our mutual loss.

We shared many cold Hanover evenings in the Tomb with a cribbage board and cold beer (should have been studying I suppose, but who would remember that). Never a good loser at cribbage, although a frequent one, his great sense of humor brightened many of those evenings.

Doc was a fierce competitor in our Dartmouth football adventures- and a natural team leader. He made the team seem like a family.

All in all, a wonderful and reliable friend for decades- who could ask for more?

“ *The Perinchiefs are more than friends to us, they are family. David and my wife Berta were born just a few months apart and played together on the Seaside Park beach from 1943 on. Maureen and David were married just a week before we were in 1968 and then our children were born within months and days of each other. Thus a special bond was created that withstood many years living so far apart.*

God bless you Maureen for being there for David these past trying months. Alison and Kerri, know that your dad was a strong proud man that never gave up; its just that his body betrayed him. We love you and will always be there for you.

“ My deepest sympathy to the entire Perinchief clan. Words can never be enough at a time like this, but please know that Mr. Perinchief, Pop Perinchief, will be greatly missed. He was an amazing man, a committed family man, a dedicated community member, an incredible board member, a true RV teammate who gave of himself selflessly. He could always light up a room with both his personality and hearty laugh and made everyone around him feel special. I will always remember how he teased me about the early Eastampton soccer days and will cherish those memories forever. The loss of Mr. Perinchief has left a huge hole in the heart of everyone who knew him and we were all blessed to have had him in our lives. “ My deepest condolences to Dave's family and friends. I've only known him for the 5 years I've been appointed here, but knew him as a gentleman and a gentle man. His concern, caring and love for the people he came in contact with was very evident. I will remember the conversations that we had as I rode with him to cemeteries where church members were laid to rest. He was a professional in every sense of the word and very down to earth. Dave has left us far too soon. My prayers and the prayers of the people of 1st Un Meth Church and Lumberton United Methodist Church go with you. Surely goodness and mercy followed Dave all of his life and we can rest assured that he now dwells in the house of the Lord forever. God bless!##imported-begin## Rev. Betty Megill##imported-end##

“ Maureen & Family, Please know that my thoughts and prayers are with you at this difficult time. Dave always told me that he was not a "snappy dresser" like his dad and that his father always questioned why he never wore a hat. "How do you acknowledge the ladies?" He was a great man with a fabulous sense of humor and will be missed by all.##imported-begin##Kim Probst##imported-end##

“ It is with great sorrow I read about Dave. He has been a long time friend of my family. I always liked Dave a great deal. He had a great sense of humor. I remember when he scored a hole-in-one at the BCC Foundation charity golf tournament. He was a blessing when my mom died a year and a half ago. I am in great shock at the moment and wish everyone connected to Dave the very best##imported-begin##david sprow##imported-end##
