“ *To Erin and Ryan: I am so sorry to hear about the loss of your Dad. He was lost without your Mom and I guess it was too much for him to bear. My heart goes out to you both having to lose both your parents in such a short time. I loved them both and feel lucky to have known them for so many years. You are the living proof of their love for each other. May they both rest in peace.##imported-begin##Kathi McDonnell##imported-end##*
