“ My hearts breaks for each of you, Dawn loved all of you so much. I will always remember the great laughs, her big bag and perfect lipstick on the night shift at Lourdes. She was a beautiful person inside and out and gave so much to the nursing profession. Treasure the so many memories and know she will always be shining down on all of the rest of your lives.
Sincerely,
Kathy Hubbs

“ *I honor the life of our beloved nursing colleague, whose death has left a profound void in the hearts of those of us that works with her at Capital Health. Dwan was not just a nurse, but she embodied the very essence of what it means to be a caregiver. She was a beacon of calm, resilience, and hope. While we mourn the loss of Dawn, we also celebrate the incredible legacy she left behind. The lives she saved, the comfort she provided and the love she shared with each of us will never be forgotten. As we say goodbye to our dear friend and colleague, we carry her light with us, continue the work she was so passionate about. Though she is gone, her spirit will forever be part of our nursing family.*

Rest in peace Dawn and may the Lord give the family the fortitude to bear the loss. Goodnight Dawn.

“ My thoughts and prayers to Dawn’s family. I also went to Sacred Heart with Dawn. Some of my fondest memories with Dawn include our cheerleading days, the many sleepovers at the house near the hospital and hanging out with the crowd from Sacred Heart. Rest in peace, until we meet again 🙏❤️

“ I will always treasure my Deborah moments with the “3 musketeers” - Ed, Julie and Dawn. Dawnie-poo, I still don’t know how your lipstick never disappeared while eating or wearing a surgical mask for hours! I know God only takes the good ones, but I selfishly wish He had waited longer with you. I pray you are in God’s hands and rejoicing with your brother Bill and your beloved pets love you always.

“ *I first met Dawn back in 3rd grade at Sacred Heart school. Dawn always had a sense of humor and a bit mischievous, we ran with the same crowd all through grade school. I lost contact with her as she went to Holy Cross and I went to RV. To my surprise I reunited with her when I found out she had married my bodyshop manager. Rest in peace Dawn all my prayers.*
