“ *Dean was a great neighbor who became a good friend and soon my closest pal. Words cannot even begin to express the sadness and sorrow. You will be so missed my dear sweet brother. I hope you find the peace that so often evaded you. You were simply the best and will never be replaced in our hearts. Rest now, I'll see you again.*

“ Finally some peace my brother. Always there for us when needed and especially at Mother Warrens. She always asked about you and the puppies. So many “good times” that will be remembered, by so many, forever. “GND 0” memories, you’ll be thought of always. Rest now our friend till we meet again.
