“ *We all know that Debbie had a heart of gold. I will never forget the time that I got so sick that I had to stay in bed. Of course, on that same day, my daughter had a doctor appointment. The only person that I felt comfortable calling was Debbie Ells. She not only took Theresa to the doctor's for me, but she also took her to lunch! She had a way of making everything fun and memorable. God bless my dear, sweet friend!*

“ *Dear Ells family:*

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
