“ *Grew up on Mulberry St Medford and they lived on Filburt St. Which runs into our road but my grandmother lived at that juncture and because of that and interacting with her grandmom Katie thru her I was acquainted and her being 4 years younger grew up with her . We all went to Shawnee. Pretty little girl that looked like her grandmother Katie. I knew she had juvenile diabetes but did not know she passed away. My heartfelt sympathy to the Hewitt-Gordon family. Sincerely Julie Tedesco*
