“ Dear Leroy!

*I know that words are inadequate at a time like this but I wanted you to know how very sorry I am for your loss. I am sure the loss of Debbie is a tragic event and I can only imagine the pain and suffering the family is experiencing. Not too many people knew how far back Debbie and I went from working together and eating lunch each and everyday for years when working together at McGuire & The Children's Home in Mt. Holly (we shared so much laughter and love when it came to our conversations about our children whom we both love dearly), then I had the opportunity to work with her husband (you). And finally again, Debbie and I ended up at HRM together.*

*Leroy, it is times like this that our faith is put to the test. We know that we must accept her passing and give "THANKS" for the wonderful life she lived. As sad as it will be, we will always have the memory of her to hold in our hearts.*

*The Bible reminds us that "Blessed are those that mourn for they shall be comforted." I pray that this will be especially true for you, your children and grandchild as you mourn your loss.*

*I pray that God will give you the strength to see you through this sad and difficult time. My thoughts and prayers will be with the entire family.*

*In Faith & Sympathy!*

“ Chalandrea, Marques, Vanessa, and grandson, Elijah -God saw your mom getting tired and a cure was not to be. So He put His arms around her and whispered "come to me.". Although you loved her dearly, you could not make her stay. A golden heart stopped beating, hardworking hands at rest. God broke your hearts to prove to you, that He only takes the best and he make NO mistakes. May God continue to be with the three of you during this time of celebration for your mother.##imported-begin##DEACON MICKEY & DEACONESS SANDRA MYERS##imported-end##
