“ We were really sad to hear of the loss of Dennis. We have so many fond memories of him and knew he was always there if we needed anything. Anything from helping us out with our cars, moving me (Lisa) down from NH in the 1980's and just an ear when needing to vent. His help at the reunions will be missed for sure. Dennis was reliable and willing to help many people over the years. Will miss the clams that he cooked on the grill...wow did we eat some clams that day. RIP and prayers for the family. Sorry we cannot attend the services but know our hearts and souls are with all of you. God bless you all and give you the strength needed to get through the hard days. Remember he is always there with all of you. Lisa and Terri

“*Dennis will surely be missed by me. Anytime you needed a helping hand whether it was to move or if you were stuck on the side of the road all you had to do was call him. I remember a time my car broke down on route 1 near the Quakerbridge Mall, my dad called him and the two of them went up there and repaired my car right there on the side of the road. Dennis this family will never be the same, you were loved and surely will be missed*
