“ *Me & Carole remember & missed Bill /Dee here in Edgewater Park as we had just moved in on Apple Rd. 2 doors away. We instantly became friends & totally enjoyed their company & friendship & Dee would always kid me about how when I would see Bill doing some work around their house I would go over with beer & stop him from working & Dee would come out laughing. She always treated us with respect & a loving nature.*

“ *It's so very hard to know what to say. Dee was loved so deeply. Before she got sick, she would always make me laugh so hard that I would pee my pants. I remember one time that I peed so bad, I had to wear a pair of her pants home. She loved to hear people laugh. You will be truly missed Sis! Always on my mind and forever in my heart.*

“ *Bill and family,
Jeff and I are sending our deepest condolences on the passing of your beloved wife and mother. Dee was our next door neighbor for 23 years and was so dedicated to her family and friends. We remember how she loved to decorate during the holidays and especially at Christmas with her beautiful themed tree. We shared many laughs over the years and we know she will be deeply missed.*
