“ *I was very sad to hear of Diane's passing. I will miss our chats at Hollyville Park. Even though she was fighting a strong battle to take back her health, she always asked how my family was doing and always had a positive outlook on life, especially when we talked about her health. In high school, days were much more bright if Diane was there. My thoughts and prayers to your family. I will miss her as well. Nancy P. Parks*
